5.1 Business district _____

winter sun shines on flat sides
of hotels office blocks
in this and other cities

the streets you walk are shaded
 grids
in this and other cities

 Madrid
you don't see the sun as it sets

5.2 Meliã Castilla_____

this shallow glass dome is a nice feature
made up of triangular panes and rhomboids
a rare abundance of daylight in a conference room

night falling
in one pane a reflection
emerging of the table below

white cloth a phone a tablet papers
four hands two clasped two taking notes
